

SCHOOL ADMISSIONS

Any student seeking school admission in the District must reside within the established boundaries of the District, except as otherwise provided by law and/or Board policy.

School assignments and grade placements shall be made by the administrative staff in accordance with District procedures. Students transferring from other school systems are required to provide a transcript of academic accomplishments at the previous school, or the address from which this data may be secured. If insufficient academic transcript information is available, students may be required to take appropriate academic tests to assist in making a placement.

The District shall not discriminate in admitting students to any school, class, program, activity or facilities usage, on the basis of sex, race, color, national origin, ancestry, creed, religion, pregnancy, parental or marital status, homelessness status, sexual orientation or physical, learning, emotional or mental disability, or handicap. This policy does not, however, prohibit the District from placing a student in a school, class, program, or activity based on objective standards of individual performance or need. Discrimination complaints shall be processed in accordance with established procedures.

Nothing in this policy shall prevent the District from denying the admission of a student during the term of his/her expulsion from another Wisconsin public school, out-of-state public school or independent charter school in Wisconsin, or from setting enrollment conditions that the expelled student must meet in order to be admitted, consistent with legal requirements.
